But, when these qualifications are met, the courteous and friendly helpfulness of its service becomes the deciding factor.

In The Farmers National Bank of Appomattox you find recognized safety and conservatism in policy and practice—and you also find that atmosphere of cordial welcome, and that satisfying personal attention which make your contact with the bank most truly satisfying.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative power of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
